Sir or Madam:

Assignee submits this Notification notifying the United States Patent and Trademark Office of the loss of entitlement to small entity status for the above referenced patent.

The application was originally filed as a small entity and the small entity fees were paid in good faith. After the patent issue date, Assignee was acquired and is now considered a large entity. Therefore, in compliance with 37 CFR 1.27(g)(2), Assignee wishes to change its status to large entity.

The maintenance fee due on May 21, 2010 for the subject patent was paid at the small entity rate on May 3, 2010. In order for the maintenance fee to be paid at the large entity rate, Authorization is hereby given to charge the deficiency owed amount of \$490.00 to Deposit Account No. 19-4709.

No additional fees are believed to be due in connection with the filing of this paper. Nevertheless, should any additional fee be required to have this paper entered and considered,

Application No. 10/728,563

authorization is hereby given to charge the amount of such fee, and any other fees, now or hereafter due, to Deposit Account No. 19-4709.

In the event that there are any questions, or should additional information be required, please do not hesitate to contact Assignee's attorney at the number listed below.

Respectfully submitted,
